The poster features a dark background with a play button icon, a circular portrait of Lt Col Navneet Khangura (Retd) in a blue circle, and various icons for date, time, and platform. A globe icon is at the bottom left.

2024

## 1. Technical Talk- Prof. S. SIDHU

The poster features the Thapar Institute logo (ti) and the Institution of Engineers logo in the top corners. The main text reads: "EXPERT TALK BY Prof. Tarlochan Singh Sidhu, on 'Research Opportunities in Canadian Universities'". Below the text are four photographs: a group of students in a classroom, a group of people standing together, Prof. Sidhu speaking at a podium with a presentation slide titled "Graduate Degree Options" (listing M.Sc., M.Tech., M.Phil., Ph.D., and M.Des.), and Prof. Sidhu receiving a certificate. At the bottom, it says "ELECTRICAL AND INSTRUMENTATION ENGINEERING" and "DATE: 11TH MARCH, 2024 AT C104".

## 2. Speaker Session – LYZR

The poster features the Thapar Institute logo (ti) and the Lyzr logo. The main text reads: "Learn how to build GenAI Apps". Below this, it says "Your path to be an AI Student Engineer and get internship opportunities". Two speakers are featured in circular portraits: Anirudh Nayaran, CBO, Lyzr, and Ashwin, Product Manager, Lyzr. A call to action says "Scan the QR Code to Register". At the bottom, it provides the date "7th April 2024" and time "04:00 PM IST". The footer mentions "Lyzr.ai in collaboration with Institution of Engineers Thapar Institute of Engineering and Technology".

### 3. Speaker Session- Dr. Gajendra Purohit

### 4. Design and Media workshop

## 5. Technical Talk - HSBC Bank
