The event was designed to raise awareness about the growing importance of cybersecurity in today's digital age and to educate students about safe online practices. The event's highlight was the insightful address by the Chief Guest, Dr. Nitish Andola. Dr. Andola, a renowned cybersecurity expert, shared his extensive knowledge, emphasizing the importance of vigilance in the digital world. He discussed the latest trends in cyber threats and provided practical</p>

tips for safeguarding personal information online. The event received invaluable support from Dr. Prashant Singh Rana, Associate Head of the Department of Computer Science and Engineering at TIET, Patiala. To build on the success of this event, it is recommended that similar workshops and seminars be conducted regularly.
