Nair, Director, TIET, Patiala Organized by NSS Coordinators: Dr. Surya Prakash Supported by: Dr. Souvik Ganguli</p> <p>The NSS unit of Thapar Institute of Engineering and Technology (TIET), Patiala, successfully showcased about their society in the “Society Fair” on Sept. 1, 2024, in the FETE Area of the institute. The Society Fair organized to showcase the National Service Scheme (NSS) society was a vibrant event designed to introduce students to the NSS's mission, activities, and enrollment opportunities. The fair served as a platform for new and existing students to learn about the NSS, focusing on how they can actively participate in community service and social development initiatives.</p> <p>At the fair, an orientation session was held where students were briefed about the NSS's core values, which include fostering a sense of social responsibility, leadership, and teamwork. Detailed presentations highlighted the various activities NSS volunteers engage in, such as</p>

		<p>environmental campaigns, health awareness programs, educational outreach, and disaster relief efforts. These presentations were complemented by testimonials from senior NSS members, who shared their personal experiences and the positive impact their involvement in NSS had on their growth and development.</p> <p>The fair also featured informational booths staffed by NSS volunteers who provided one-on-one guidance to students interested in joining the society. These booths offered detailed insights into the structure of NSS units, the enrollment process, and the benefits of becoming an NSS volunteer. Brochures and other informational materials were distributed to help students understand the wide range of opportunities available within the NSS, including the chance to develop important life skills and contribute meaningfully to society.</p>
