Fete Area

**c) Number of the members in the organizing team.**

70

**d) Number of the participants.**

800+

**e) Description of the event (Not less than 500 words).**

Enactus participated in the Society Fair on September 01st, 2024, in the Fete area to raise awareness of the society among freshmen. It was held in a session: 4.00- 8.00 PM. We carried forward the idea of promoting the spirit of social entrepreneurship amongst first-year students. Our main objective was to promote Enactus amongst as many people as we could reach out to.

The budget for the same was approximately Rs. 5000/-. Despite all the constraints, we were successful in producing spectacular results. We attracted many students with some fun and interactive activities like "Son Of Pitch" and "Spin the Wheel". A common review by everyone was that they enjoyed the stall and that the idea of social entrepreneurship excited them. Hence the event was a huge success.
