5.	Event/activity details (150 words)	<p>NSS Unit-9 at Thapar Institute of Engineering and Technology (TIET) organized a Winter Clothes Donation Drive on 31st January and 1st February 2024 in a remarkable display of kindness and empathy. The objective was to gather old clothes and blankets from the generous hearts within the university community and extend warmth to those in need. The drive's success owes much to the philanthropic contributions of the faculty and students, which resulted in the collection of over 25 bags filled with old warm clothes, blankets, and a quilt, exemplifying the spirit of giving back. The initiative was led by Dr. Amanpreet Kaur (Programme Officer) and carried out by student volunteers Sunidhi Goyal, Vivek Gupta, Yoshita Pant, Jasraj Singh, and Varun Dhawan. We thank Dr. Soumendu Janaa, the NSS coordinator, and Dr. Sangeeta Kamboj (Programme Officer) for their invaluable guidance and support in this noble cause. NSS extends its appreciation to the dean of student affairs (Dr. Inderveer Chana) for granting this prestigious opportunity to care for the underprivileged and for upholding the university's contribution to social responsibility.</p> <p>The positive impact of the distribution drive was evident in the grateful and appreciative smiles of over thirty-five hardworking and diligent workers employed throughout the campus who helped keep the campus tidy, maintain</p>
